

## Tier 1 (\$1.00)

The following is a list of the most commonly prescribed drugs. It represents an abbreviated version of the drug list (formulary) that is at the core of your prescription-drug benefit plan. The list is not all-inclusive and does not guarantee coverage. This list is subject to change.

| Product Name                                |                               |   |
|---|-------------------------------|---|
| ACETAMINOPHEN/CODEINE                       | CLINDAMYCIN HYDROCHLORIDE     | HYDROCODONE BITARTRATE<br>ACETAMINOPHEN   |
| ACETAMINOPHEN/CODEINE PHOSPHATE             | CLONAZEPAM                    | HYDROCODONE/ACETAMINOPHEN                 |
| ACYCLOVIR                                   | CLONIDINE HCL                 | HYDROCORTISONE                            |
| ALBUTEROL SULFATE                           | CLOPIDOGREL                   | HYDROXYZINE HCL                           |
| ALENDRONATE SODIUM                          | CLOTTRIMAZOLE                 | HYDROXYZINE HYDROCHLORIDE                 |
| ALLOPURINOL                                 | CODEINE/GUAIFENESIN           | HYDROXYZINE PAMOATE                       |
| ALPRAZOLAM                                  | CYCLOBENZAPRINE HCL           | HYOSCYAMINE SULFATE                       |
| AMITRIPTYLINE HCL                           | CYCLOBENZAPRINE HYDROCHLORIDE | IBU                                       |
| AMITRIPTYLINE HYDROCHLORIDE                 | DENTA 5000 PLUS               | IBUPROFEN                                 |
| AMLODIPINE BESYLATE                         | DIAZEPAM                      | INDAPAMIDE                                |
| AMOXICILLIN                                 | DICLOFENAC SODIUM DR          | INDOMETHACIN                              |
| AMOXICILLIN/CLAVULANATE POTASSIUM           | DICYCLOMINE HCL               | IPRATROPIUM BROMIDE                       |
| AMPICILLIN                                  | DIVALPROEX SODIUM DR          | KLOR-CON M10                              |
| ATENOLOL                                    | DOXYCYCLINE HYCLATE           | LACTULOSE                                 |
| ATORVASTATIN CALCIUM                        | DOXYCYCLINE MONOHYDRATE       | LAMOTRIGINE                               |
| AZITHROMYCIN                                | DULOXETINE HCL                | LATANOPROST                               |
| BACLOFEN                                    | ENALAPRIL MALEATE             | LETROZOLE                                 |
| BENZAEPRIH HCL                              | ENDOCET                       | LEVOFLOXACIN                              |
| BENZONATATE                                 | ESCITALOPRAM OXALATE          | LEVOTHYROXINE SODIUM                      |
| BISOPROLOL FUMARATE/<br>HYDROCHLOROTHIAZIDE | ESTRADIOL                     | LIDOCAINE VISCOUS                         |
| BRIMONIDINE TARTRATE                        | ESZOPICLONE                   | LISINAPRIL                                |
| BUPROPION HYDROCHLORIDE ER                  | FAMOTIDINE                    | LISINAPRIL/HYDROCHLOROTHIAZIDE            |
| BUSPIRONE HCL                               | FLUCONAZOLE                   | LOPERAMIDE HCL                            |
| CARISOPRODOL                                | FLUOXETINE HCL                | LORAZEPAM                                 |
| CARVEDILOL                                  | FUROSEMIDE                    | LOSARTAN POTASSIUM                        |
| CEFDINIR                                    | GABAPENTIN                    | LOSARTAN POTASSIUM<br>HYDROCHLOROTHIAZIDE |
| CEPHALEXIN                                  | GEMFIBROZIL                   | LOVASTATIN                                |
| CETIRIZINE HCL                              | GENTAMICIN SULFATE            | MECLIZINE HCL                             |
| CHERATUSSIN AC                              | GLIMEPIRIDE                   | MECLIZINE HYDROCHLORIDE                   |
| CHLORHEXIDINE GLUCONATE                     | GLIPIZIDE                     | MEDROXYPROGESTERONE ACETATE               |
| CHLORZOXAZONE                               | GLYBURIDE                     | MELOXICAM                                 |
| CIPROFLOXACIN HCL                           | GLYBURIDE/METFORMIN HCL       | METFORMIN HCL                             |
| CITALOPRAM                                  | GUAIFENESIN/CODEINE           | METFORMIN HCL ER                          |
| CITALOPRAM HYDROBROMIDE                     | GUANFACINE HCL                | METFORMIN HYDROCHLORIDE                   |
|   | HYDRALAZINE HCL               |   |
|   | HYDROCHLOROTHIAZIDE           |   |
